

**SERVICES**

# STILL IMAGE

All of our projects start with static images, a considered and curated set of CGI's with contextually appropriate narrative underpinning the creative process.

# FILM

Seamlessly blending the worlds of CGI and live action to tell your project's story in a captivating short film.

# ANIMATION

A static camera with key elements within the frame moving provides engaging and evocative content for web.

# 360 TOURS

A series of panoramas  
hosted for digital use,  
creating a seamless tour  
through your  
development.

# ART DIRECTION

All of our projects start with static images, a considered and curated set of CGI's with contextually appropriate narrative underpinning the creative process.

# **CONTENT STRATEGY**

Seamlessly blending the worlds of CGI and live action to tell your project's story in a captivating short film.
